The roots of golf can be traced back to Scotland in 1457. Our youth development organization has continued the traditions of the game for over 25 years in south Florida. The First Tee of The Treasure Coast has evolved into a major youth development organization offering our life skills program at golf courses all throughout Martin and St. Lucie Counties. Before becoming a chapter of The First Tee, our non-profit organization, The Children's Golf Foundation, Inc. began serving young people with disabilities in 1988.

Our chapter of The First Tee was established with the support of Andrew Hunt, a Trustee of The First Tee and through the charitable arm of The Honda Classic. Our service area includes all of Martin and St. Lucie Counties, which encompasses over 90,000 students. Our chapter is one of over 160 throughout the world and one of 15 chapters in the state of Florida. Our programs are taught by PGA and LPGA Coaches trained by The First Tee.
